Make a bold statement with style and elegance. Add character and architectural detail to the interior and exterior of your home with one of our many, versatile geometric design options — or let us bring your own custom vision to life.

If you can dream it, we can make it!

All of our windows meet or exceed ENERGY STAR® specifications and have been energy modeled in accordance with CSA A440.2. For more details please refer to our technical brochure online.

GLASS OPTIONS

Choosing the correct glass is important for blocking UV light, keeping interiors cooler in summer and reducing heat loss in winter. DEL window glass is supplied by Cardinal Glass. DEL thermal units are supplied with industry best ENDUR IG™ warm edge spacers and are tested to CSA standards.

LoE³ 366
Ideal balance of solar control not allowing heat into the house. Excellent U-Value.

LoE 180
Industry Standard Excellent ER ratings.

LoE 180/i89
R4.75 Improves U-Value and ER rating. Best ER ratings in Dual glazed thermal.

LoE² 270/i89
R-5 Exceptional U-Value. Best Year Round Performance in Dual glazed thermal.

PRESERVE
Protective film that protects glass from scratching in and out.

NEAT
Glass dries in 1/3 of the time with 99% fewer spots.

SPECIALTY GLASS

Textured and tinted glass provides privacy and can beautify the appearance of the interior and exterior of your home.
